

Personal Practice Plan for _____

You have homework and other commitments like family, sports, clubs, volunteering or jobs, and other activities, so plan ahead to make sure you can practice and be successful in band as well. Discuss this with your parent/guardian so they can support you and help you find times that work for you, your commitments and the rest of your family. Fill out below when you plan to practice through the school year. *(This should be the same as the copy you keep in your folder.)*
